Dear Membership:

**Re: Squamish Nation Trust
Request for Proposal – Conducting the Comprehensive Plan Review**

Each year (in March/April) there is an update on the Squamish Nation Trust. Annual presentations are held (in the Squamish Valley and in North Vancouver) as well as an annual update in the newsletter. The annual updates, in part, confirm the Trust value, and confirm how the Income from the investments was utilized to support member businesses and SN departments.

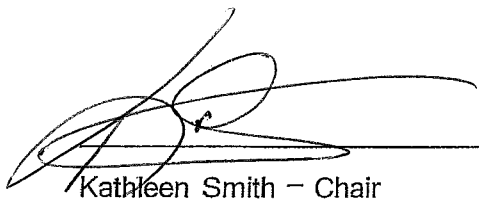

One of the policies of the Trust is there be a periodic survey with Nation Members and obtain their opinions with respect to the use and allocation of annual Income from the Trust. This survey is referred to as a Comprehensive Plan Review. It is important for the Trustees to obtain the views of Membership with respect to the allocation of annual Income, whether it is used towards housing, health, education, culture, elders, recreation, or many other initiatives.

There have been Comprehensive Plan Reviews in 2000, 2006, 2010, and 2014. The next Review is scheduled for this year in 2018. At this time, the Trustees of the Squamish Nation Trust are issuing a request to Nation Members who would be interested in conducting the Comprehensive Plan Review.

(2)

The Comprehensive Plan Review would include preparing the survey for Members, having on-line capabilities for member responses, to attend community functions during the spring and early summer for in-person Surveys, and then compile all data and collate and summarize all of the responses. The expectation is this work is completed by August 15, 2018

If you are interested in submitting a Proposal with respect to conducting the 2018 Comprehensive Plan Review, please contact the administrative Trustee (Don Woods) either by phone at 604-659-7436 or at don.woods@td.com for more information. The deadline for submitting a proposal to conduct this work is February 28, 2018.
