

SOCCER SUMMER CAMP – July 22 - 26, 2019 (5 day camp)

Age Groups: 7 to 18 years old Boys & Girls

Capilano Grass Field, North Vancouver

10:00am – 12:00pm

The European Football School (<http://www.europeanfootballschool.com>) has rapidly earned an enviable reputation as a soccer school of excellence. At EFS they have set out a European Football Fitness Philosophy with a well-structured program of technical skills developed by EFS coaches.

The coaching staff of EFS have the experience and the ability to help players develop their skills for a higher level of play and to reach a deep understanding of all aspects of the game. EFS philosophy is explanation, demonstration, observation, and correction. We would say that at EFS we have the best demonstration and correction in the country. Repetition is one of the most important parts of working with young athletes.

Since by founded in 1999 European Football School (EFS) has held their training session at Capilano Reserve Grass field. The relationship between Squamish Nation and EFS has helped many players develop new skills and tactics and move their game to the next level. Over the past 19 years, players from the First Nation community have been invited by EFS to take their talents to local tournaments, College Showcase Tournaments in the United States and International Tournaments in Europe.

Players will be able to work with coaches like Saibo Talic (National "A" & UEFA "B" License), Amar Talic (UEFA "A" License), Igor Matic (UEFA "A" License), and Steve September with their playing experiences and their high level of coach training and certifications is a tremendous opportunity.

Players looking to improve their game are encouraged to sign up for these highly motivating fast paced sessions.
