

Summer Fun 2020 Registration

Summer Fun will be operating this summer in a limited capacity. As a team, we have been working diligently to ensure our camp programming and operational plans to meet the health and safety guidelines developed by provincial government and regional health professionals. If it is necessary to cancel Summer Fun at any time due to a resurgence or outbreak of COVID-19, we will contact parents immediately.

Please note four significant changes to this years Summer Fun Program:

- 1. Age groups**
 - a. 7 year olds**
 - b. 8-9 year olds**
 - c. 10-12 year olds**
- 2. Two camps per age group will run this summer, you are only allowed to register your kid in ONE camp (July or August dates).**
- 3. 15 Kids MAXIMUM per age group. Registration will be on a first come first serve basis.**
- 4. Transportation will ONLY be provided for those who live on Upper & Lower Mission Reserve.**

While we anticipate further guidance and details from Health Authorities, we are already making plans for a heightened level of health and safety for Summer Fun. These include:

- Camp will take place outdoors at all times when possible.
- Any indoor time (rainy days) will be spent taking part in activities that reduce the need to be close to one another (arts & crafts, puzzles, movies etc).
- Physical distancing of camper at all times.
- High contact activities and games have been removed from Summer Fun programming.
- Signage and communication at camp regarding social distancing and hand hygiene.
- Campers will be divided into groups of 3-4 kids. Kids will NOT be able to switch between groups at any time.
- NO non-essential visitors allowed at the camp.
- Strict "no sharing" policies for food & personal items.

Enhanced hand washing protocols & facility cleaning

- Hand sanitizer will be available to staff and campers at all times.
- Instructions for campers and staff on how to cover mouth/no touching of face.
- Washing of hands will be required before any snack or meal breaks and as a normal part of any bathroom breaks. 60% alcohol based hand sanitizer will be provided when soap and running water is not readily available.
- We will ensure daily cleaning of facilities, bathrooms, door handles, sinks, vehicles, and other high touch surfaces.

Adjustments to our program equipment procedures to limit cross-contact

- Sharing of equipment and program aids between campers is NOT allowed, we will be separating out any used equipment for cleaning during each camp day and it will not be allowed for use until cleaned.
- Cleaning of equipment will be as per health guidelines utilizing approved sanitizing product.

Camper and Staff Health

- Daily health screening questionnaire for every camper when they are being signed in is mandatory.
- Daily temperature check of campers with non-contact thermometers.
- Daily health screening questionnaire and temperature check for staff.
- If campers, staff or someone in their household have any of these symptoms: cough, sneezing, runny nose, sore throat, or fatigue, **they must stay at home!**
- Staff and campers that compromised immune systems, or underlying chronic medical conditions should not be taking part in camp activities.

Food/Beverage

- Recreation will provide lunch & snacks for all camp participants.
- Food will be prepared and packaged individually for each camper.
- A strict NO sharing food policy will be enforced.
- Campers are required to bring their own water bottles each day. It is recommended that campers fill their water bottle each day before arriving at camp.

Pick up/drop off procedure

- Pick up and drop off times will be staggered based on age groups.
- Campers can only have one parent/guardian designated to do pick ups & drop offs.
- Parents/guardians are not permitted to remain at the camp.

Mission Reserve Bus Transportation

- Bus transportation will only be provided for campers who live on Upper and Lower Mission Reserve.
- Campers and leaders are NOT permitted to sit next to each other, unless they live in the same household.
- Seating will be limited on the bus due to physical distancing protocols.
- All seats, seat belts, door handles and touch points on the bus will be thoroughly cleaned and sanitized after each trip.

Camper Responsibility

If a camper is unable to follow the health guidelines enforced by staff, they will be removed from the camp. Campers must follow these steps to reduce the transmission of COVID-19.

1. Stay home if you are sick. If the camper has symptoms as previously discusses, they will be asked to be picked up by their parent or guardian.
2. Wash or sanitize hands directly before and after the program.
3. Stay a minimum of 2m (6ft) from others.
4. Avoid touching your face.
5. Listen carefully to staff instructions and follow them closely.
6. Avoid lingering both before and after the program.
