

Attention: Day Scholars & Children of Day Scholars

Please be advised that shíshálh (Sechelt Indian Band) & Tk'emlúps te Secwepemc (Kamloops Indian Band) have agreed to enter into negotiations with Canada on behalf of our Day Scholars to seek justice and redress, to address the loss of Culture & Languages and personal damages.

It is so important that we have all Day Scholars fill out a form and encourage their children to do so as well, as a result **we do not anyone to be left out or left off the list.**

As a result we would like to encourage our members to quickly research and fill in the attached form listing years of attendance at schools and listing the children of Day Scholars.

Please fill in and return by June 17, 2016, please do not delay fill in forms and return by the date provided.

In addition we are asking all of you to share this information with your contacts and send this to them as soon as possible especially those family members that may not live on reserve.

If you have any concerns please feel free to contact me directly at 604 740-5600 – Taleetha Elliott, return to the Rights & Title building

(the old Education building) Please leave with Bevy, Jody or ask for myself directly to answer and questions or any clarifications.

Thanking you in Advance for your Cooperation with this very important matter.
