

Possible area for future economic development opportunities.

Seymour River bank protection works completed in late 2008. Final bioengineering and planting completed in the Fall, 2009. These works were required to reduce land loss and bank erosion.

Seymour River
Bank Protection

Real Canadian Superstore employs many full time and part time Squamish Nation members and generates lease revenue for the Nation.

Possible future area for multi-family residential development.

The Lynnwood Marina was recently purchased by the Squamish Nation.
