RE: FOOD FISH - FRESH SOCKEYE

Squamish Nation is in the process of organizing the harvest of Food Fish - Fresh Sockeye Salmon. The distribution date and allocation of Food Fish will be soon (an exact date will be sent out as soon as we know, it is determined by a sequence of events and is very difficult to identify at this time.) We estimated 10 per household (**allocation will be based on catch numbers.**)

Stations for On and Off Reserve pick up will be:

Squamish Valley: Totem Hall

North Vancouver: Chief Joe Mathias Centre

For Elders and members who are not physically able to make it down; there will be a delivery truck.

Reminders:

1. HAVE TOTES OR COOLERS READY – There will be a limited supply of bags
2. Please notify off-reserve family members of pickup locations.
3. **Do Not Sell your food fish allocation - SELLING YOUR FOOD FISH ALLOCATION WILL JEOPARDIZE YOUR ACCESS TO FOOD FISH IN THE FUTURE.**

If you have any questions, please call *North Vancouver* Main Office 604-980-4553 or Toll-Free 1-877-628-2288 and for *Squamish Valley* Totem Hall 604-892-5166.

Sincerely,

SQUAMISH NATION

Jennifer Campo, Band Manager
