ITA Accredited

Carpentry Level 1 Program

Course Dates: July 20, 2020 to November 20, 2020

Are you currently working in construction and looking to expand your career? Have you ever thought about Carpentry as a profession? **The Squamish Nation Training & Trades Centre** would like to invite you to increase your skills and gain the training to begin a career in Carpentry. Our curriculum incorporates a cultural component based on Squamish Nation Traditions, safety training, essential skills, technical training and job readiness. During the eleven weeks of technical training, you will learn everything needed to be prepared for work in the Carpentry field. Once you have successfully completed the Carpentry Program, you will participate in a 2 week work practicum, which could become the company you start your apprenticeship with!

Call us at: 604.980.7946 or email: tradescentre@squamish.net
