Introduction to Plumbing

Course Dates: July 13, 2020 to September 25, 2020

Are you looking to enter the trades industry and are unsure where to start? Have you ever thought about Plumbing as a profession? **The Squamish Nation Training & Trades Centre** would like to invite you to gain new skills and training to begin a career in the Plumbing trade. Our curriculum incorporates a cultural component based on Squamish Nation Traditions, safety training, essential skills, technical training and job readiness. During the six weeks of technical training, you will learn everything needed to be prepared for entry-level work in the Plumbing field or you can continue your training in the Plumbing level 1 program and become an apprentice. Once you have successfully completed the Introduction to Plumbing Program, you will participate in a 1 week work practicum.

Call us at: 604.980.7946 or email: tradescentre@squamish.net
