Request for Proposal – Conducting the Comprehensive Plan Review

The Trustees of the Squamish Nation Trust are issuing a request to Nation Members and Nation businesses who would be interested in conducting the Comprehensive Plan Review.

What is the *Comprehensive Plan*?

- It is the plan for use of the Trust property deemed to be beneficial to the Nation by members
- Members express their view for the best ways to use the Trust fund
- Comprehensive Plan Reviews occur every 4 years. The next Review is scheduled for 2022.

The *Comprehensive Plan* Review would include:

- Preparing the survey for Members
- Having on-line capabilities for member responses
- Attending community functions during the spring and early summer for in-person Surveys
- Compile all data, collate and summarize all of the responses in a report
- The expectation is this work is completed by July 31, 2022.

Those interested in submitting a Proposal with respect to conducting the 2022 Comprehensive Plan Review:

- Contact the Administrative Trustee (Christopher Angeconeb) either by phone at 604-659-7437 or at christopher.angeconeb@td.com for more information.
- The deadline for submitting a proposal to conduct this work is February 28, 2022.
