INVITING ALL ELDERS

WoodfibreLNG Lunch & Learn

KNOWLEDGE SHARING & SEAFOOD

We would like to invite our elders to a seafood feast, and a place to share knowledge and stories of Swi'yát (WoodfibreLNG). We recognize the importance of informing elders about the WoodfibreLNG project to hear their suggestions on future initiatives and answer any questions. This session is organized by Squamish Nation but we have invited senior staff from WoodfibreLNG to share the occasion.

"The former Woodfibre Pulp and Paper Mill site in Nexwnéwu7ts Átlk'a7tsem (Howe Sound), approximately seven kilometres south of Skwxwú7mesh is on the historical location of a Skwxwú7mesh Úxwumixw village known as Swi'yát. Swi'yát and Nexwnéwu7ts Átlk'a7tsem are tied to the cultural well-being of Skwxwú7mesh Úxwumixw members, our ancestors, and their descendants."

ELDER'S ROUND TABLE

11AM – 3PM

North Vancouver: Wednesday, January 24th

Squamish Valley: Friday, January 26th

Joint Gathering: Thursday, February 22nd

Dear Elders of the Squamish Nation,

You're Invited!

We cordially invite you to a special gathering, where you can join in a friendly and open discussion with our elected Chair, Council, and Band Manager. Mark your calendars:

- **Chief Joe Mathias Centre: Wednesday, January 24th from 11AM – 3PM** – Contact NV Elder's Coordinator for transportation (604-987-4646)
- **Totem Hall: Friday, January 26th from 11AM – 3PM** – Contact SV Elder's Coordinator for transportation (604-815-3445)
- **Joint Gathering at Totem Hall: Thursday, February 22nd from 11AM – 3PM** – Contact your respective Elder's Coordinator for transportation

The purpose of the Round Table meetings is to:

- Build a strong relationship between our leaders and our cherished elders.
- Hear your valuable insights and concerns on overall community-issues.
- Make sure everyone has a chance to speak and be heard.

Our senior administrative team, led by Chief Administration Officer Sheldon Tetreault, along with the Executive Directors for People Services, Community Services, and Territory & Culture Divisions, will be there too, ready to listen and take notes on anything we need to follow up on.

We'll be serving a delicious meal from 12 pm to 1 pm at both meetings.

Our Elders requested these meetings, and we listened. Our plan is to meet once in Squamish Valley and once in North Vancouver to discuss community-specific issues. Then, we'll come together for a big meeting, so all of our elders can hear about the progress we've made.

Your thoughts and ideas matter to us, and we want to hear them all. Bring your questions, concerns, and advice. Don't forget to share this with your elderly friends and relatives about this opportunity too. Together, let's make life even better for our Squamish People.

If you have questions, please call 604-980-4553 to speak to **Jill Peters, Administrative Officer**.

ha7lh skwáyel (good day),

The Nation recommends all Members who own or rent homes on-reserve purchase a contents insurance policy, which will assist in replacing damaged items in the event of fire, water damage, burglary etc.

All homes on-reserve are insured by the Nation and in situations where the home is significantly damaged (eg. lost due to a fire), contents are covered up to \$100,000. However in those situations, Members must first pay a deductible of up to \$50,000 to replace their personal items, before the Nation's policy will begin to cover the rest of the costs.

If the damage does not exceed \$50,000, Nexwsp'áyaken ta Úxwumixw (Community Operations) would cover the repairs to homes on-reserve; however, Members will have to pay the full cost of replacing personal belongings as the Nation's policy will not apply.

Prior to 2020, the Nation was covering the cost of insurance claims below the deductible amount (which used to be lower). This was found to be in violation of section 10.2 of the Housing Policy: *"The Member, and not the Nation, will be responsible for the deductible portion of any insurance claim."*

The Nation acknowledges that contents insurance may be something new for Members to think about. More information is available in the FAQ included with this letter. Nexwsxwníwntm ta Úxwumixw (Council) approved subsidizing contents insurance for Members who are low income.

If you have further questions after reading this letter, please contact Estxwáyusem (Finance) at insurance@squamish.net.

Keith Hester

Director, Estxwáyusem

Frequently Asked Questions | Contents Insurance

1. Did the Nation pay for home contents insurance in the past?

The Nation has always insured all homes on-reserve. Prior to 2020 however, the Nation was covering the cost of insurance claims below the deductible amount. This was found to be in violation of section 10.2 of the Housing Policy: *"The Member, and not the Nation, will be responsible for the deductible portion of any insurance claim."*

2. Why did the practice change?

In 2020, the Nation chose a different insurance carrier which offered better services and improved coverage. This did result in an increased deductible amount from \$10,000 to \$50,000. Covering the deductible amount was found to be in violation of the Housing Policy. Current insurance carrier AON Stern House has offered the Nation a sizeable discount, which is being used to offset the cost of subsidizing contents insurance for low-income Members.

3. What is the Nation doing now to support Members to get content insurance?

Nexwsxwníwntm ta Úxwumixw (Council) approved subsidizing contents insurance for those who are low income (this classification is set by Canada Revenue Agency but is around \$21,000/year).

4. Why do we recommend that Members get contents insurance?

All homes on-reserve are insured by the Nation however, the costs to replace personal belongings are not. Having a contents insurance policy will support Members in replacing damaged personal belongings in the event of fire, water damage, burglary etc. All Members, whether they rent or own their home, should consider getting personal contents insurance.

5. What can Members expect to spend monthly/yearly for contents insurance?

Contents insurance policies vary between providers. The deductible (amount you have to pay before the policy covers costs) can also vary. It is recommended to look at different providers to see the types of policies available for your circumstances.

6. Does the Nation have a preferred vendor for contents insurance?

Every Members' circumstances are unique with regards to the types of belongings they need to protect. Therefore, the Nation is unable to recommend a specific policy or vendor for contents insurance.

Update from Skwxwú7mesh Úxwumixw Rights & Title
and Environmental Working Group

Please be advised that rolling lane closures are expected along Mamquam Forest Service Road as part of road upgrades for Eagle Mountain Pipeline construction.

CULTURAL AWARENESS TRAINING

Cultural awareness training is required by all employees working on both the Eagle Mountain Pipeline (FortisBC) & Woodfibre LNG projects. Orientations include videos and presentations prepared by qualified Skwxwú7mesh Úxwumixw members. This training educates contractors and employees about Skwxwú7mesh history, our culture, our connections both past and present to our territory and our role as stewards of our lands.

WLNG:

This in-person training, in which approximately 500 workers have received, is broken up into three segments - first segment is focused on Skwxwú7mesh Úxwumixw Culture. The second segment is on MMIWG, and the final segment is on Archaeology & and chance find procedure.

In the first segment on Skwxwú7mesh Úxwumixw Culture topics include Creation Story/Great Flood, Pre contact trade and society, language, European contact and Trade, usurpation of Skwxwú7mesh Úxwumixw Lands, the Indian Act, Residential Schools, the battle for rights, and present and future successes (SNLUP- Squamish Nation Land Use Plan, Forestry tenures, Olympics, Hydro Projects, MST, Woodfibre LNG (SNEAA))

The second segment on MMIWG, looks at the National Inquiry (including recommendations for industry), the Standing Committee on the Status of Women and Girls, the impact of Residential schools on women, facts on violence against women and the disparity between Indigenous and non-indigenous women, systematic racism, 2spirit, red dress project, the Highway of Tears, and gender and cultural safety.

The final segment focus is on archaeology, what may be encountered, basic information on archaeology and legal protections, and a clear focus on what to do in the event a belonging or ancestral remains are encountered.

FortisBC EGP:

Fortis EGP orientation modules include an Indigenous cultural awareness orientation which covers broad topics including terminology, MMIWG2S, residential schools, UNDRIP, Archaeological Chance Find Procedure orientation and more. The Skwxwú7mesh Úxwumixw cultural awareness video we are currently working to finalize will also include:

- Territory (size, reserves, culturally sensitive areas) and why it's important to us
- Pre-European contact (longhouses, potlatches, professions, spirituality, way of living, etc)
- Language and how it connects us to the land
- Arrival of settlers
- Post-contact & colonization
- Residential Schools
- Amalgamation
- Present day - Squamish People (Council)

ONGOING CONSTRUCTION ACTIVITIES

With both projects in the construction phase you may observe more activity downtown and at Swiyát.

Swiyát (WOODFIBRE LNG)

Marine construction is busy in January: this is mainly pile driving, and some shoreline work. Skwxwú7mesh Úxwumixw has had independent observers on site to audit the noise monitoring for marine mammal and fish protection during this work. - Marine construction must be put on pause by the end of January for the return of Slhawt' (herring), and then Cháyilhen (salmon) in the spring. Marine construction can re-start at the end of August 2024. - WoodfibreLNG will also be wrapping up vegetation clearing shortly, before birds start their nest-building for the season.

FORTIS BC EAGLE MOUNTAIN PIPELINE

- Forest service road upgrades
 - grading and culvert installations for sediment and erosion control
 - widening and road base buildup
- Hydrovac to locate utilities
- Preparing the tunnel portal sites in anticipation of tunnel boring machines launching in Q1 2024
 - Culvert installation to protect East Creek (Swiyát)
- Safety signage installation

Skwxwú7mesh Úxwumixw has communications plans with both WoodfibreLNG and FortisBC to ensure members can access the territory for traditional purposes. If any of the above construction activities impact your ability to access the territory, please contact 778-966-1117.

Medical Travel for Members: Info Sheet

When a member books a medical appointment that is more than 30 km away from home, they can get a Gas PO. This happens in two ways:

- 1) ***Any Member can contact Caroline @ Health Benefits directly and request a PO.*** The PO will be made out in the Member's name & if a friend or family member is driving, their name will also be included on the PO.

The Member or someone acting for them can pick up the PO at the Waterfront Office.

- 2) ***Elders contact the Elders Team and book a ride with them.*** Elders Drivers complete a *Medical Transportation Intake Form (see reverse)* and email it to Caroline, who makes a PO for the Member Vehicle. Intake forms must be made for each booking even if Members are travelling together.

The PO will be made out in the Member's name, with the Member Driver's name included. The PO will be given to the Member Driver.

Gas PO Policy:

- a) ***48 hours-notice is required for ALL Gas PO requests.*** Urgent requests will be considered on a case by case basis, time permitting.
- b) ***Only one active PO can be issued per appointment/trip; and Multiple PO's will NOT be issued if travelling members are ride-sharing in any way.***
- c) ***PO's are non-transferrable.***
- d) ***24 hours-notice is required for cancellations*** with the Elder Drivers, as well as requests to change any Gas PO.
