To the Squamish People,

Re: April 2026 Distribution

Squamish Nation Council would like to update community members on the April 2026 Distribution.

We hear your concerns regarding Distribution amounts and recognize this is a priority issue in our community. There are Squamish Nation policies and processes that must be followed as staff explore the proposed distribution increase and how it could be implemented.

Council will provide a full update on Distribution to community once the Squamish Nation budget has been approved at the end of March 2026.

The distribution for April 2026 will be a total of \$272.10. This amount includes:

- The Regular Distribution;
- And Cost of Living Adjustment.

A Cost-of-Living Adjustment (COLA) is an increase to help people keep up with rising prices for everyday things such as food, housing, and transportation. It's designed to make sure your money can still buy the same amount, even when the cost of living goes up because of inflation.

All annual distribution payments are increased by a cost-of-living adjustment tied to the Canadian Consumer Price Index (CPI). For 2025/2026, the CPI's cost of living adjustment is 2.1 per cent. We are working with the Squamish Nation Trust on an update regarding the 2025 income and whether there will be a distribution.

We will continue to update the Squamish People as we work through changes to Distribution.

Chet wanáxwstúmi (respectfully),

Squamish Nation Council

Application process for Affordable Homes now open

This month, we proudly take another step toward returning Skwxwú7mesh families to our ancestral village. The application process has now begun for the 219 Affordable Homes available in Phase One.

Squamish People will be prioritized for each of these units with low- to mid-range rent, followed by other Indigenous Peoples, then non-Indigenous people.

The Affordable Homes are available in addition to the 63 Hi'yám Homes in Phase One, and our leasing partner, rennie, will lead their application process, with advisors available to support Squamish People every step of the way.

Here's what you need to know about the Affordable Homes application process:

- If you've already registered for rental emails on the Señákw website, rennie will contact you to fill out an Expression of Interest Form.
- If you've already filled out one of these forms, rennie will reach out to share the next steps.
- If you haven't, scan the QR code below to fill one out and rennie will follow up with you.
- Once you've received an Application Form from rennie, you will have five days to complete and submit it.
- Completed applications will be reviewed in the order in which they are received.

Fill out an Expression of Interest Form today!

Learn more about eligibility criteria and move-in dates for all the homes at Señákw here.
