NEWS & UPDATES

Real Estate Essentials Program Graduation

On September 4, the Nexw7áystwá Training & Trades Centre (NTTC) celebrated the graduation of the first cohort of the Indigenous Real Estate Essentials Program, delivered in partnership with Nch'kay and the University of British Columbia. This new 10-week course introduced students to the foundations of the real estate industry, explored diverse career pathways and helped participants build confidence, skills and meaningful connections within the field.

Throughout the program, students learned from guest speakers working in Indigenous real estate development and were exposed to the growing opportunities for Indigenous professionals in the sector.

The graduation event was an afternoon filled with food, culture and ceremony, including an introduction from NTTC Manager, Tannis Louie and a welcoming song and dance from The Proud Little Warriors. NTTC extends heartfelt congratulations to all graduates. We look forward to seeing the impact you will make in the real estate field and beyond.
